

Homes For a Better World Privacy Policy and 100% Promise

Homes For a Better World values your privacy and promises 100% of proceeds raised from our work are passed along to the charities we support. Please read the following:

Financial Promise:

Homes For a Better World is a newly incorporated Public Benefit Corporation (late 2009, 501 (C)(3) pending) that exists to raise awareness and funds for dynamic non-profits working to provide for the basic needs of the less fortunate in our local communities and around the world. Because our administrative costs are funded entirely by generous sponsors, we are able to contribute 100% of the donations received through our website to the respective charities being featured.

E-Mail:

Homes For a Better World sends all of our clients a group e-mail when related news-worthy information suffices. If you believe you have received bulk e-mail from us, or have received a suspicious e-mail that appears to be fraudulent, please contact us so that we can investigate the matter.

All e-mail messages received from our clients and business partners are kept completely confidential and are never shared with parties outside of Homes For a Better World without your express permission unless required by law enforcement.

If you do not wish to receive further e-mail communications from us, please email us and let us know. We do not have an automated mail-list system because we send all of our e-mails manually.
